Install
Next, add a second device.
Your device (jdolpt003) was added to your network!
Tailscale connects multiple devices together, so you'll need it installed on more than one device. Open the link below on a second device and download Tailscale there too.
Linux
Windows
macOS
iPhone & iPad
Android
Synology
Download Tailscale from our website, send yourself an email with a download link, or read our installation guide.
https://tailscale.com/download/windows
Copy
Requires Windows 10 or later.
You can stop at this point - no need to add more devices yet unless you want to.
